Who we are:
The San Antonio Aggie Women's Club is a unique organization formed to support another unique organization. There is no other club like us! We were formed in 1957 by Buck Weirus to support the then all male San Antonio A&M Club, the only A&M Club in existence to own its own property. Buck saw the need for some female support, and he formed the San Antonio Aggie Wives Club. The wives of A&M Club members joined together to support the activities of the men's club and to promote fellowship among the families.

In 2003 the club name changed to the Aggie Wives and Graduates Club to reflect the growing number of female graduates of Texas A&M and to welcome them into the organization.

In 2016, the name changed to the San Antonio Aggie Women's Club to include wives and graduates along with mothers, daughters and friends of Aggies. The club is open to any female with an interest in Texas A&M University.

What we do:
We support the A&M Club by helping with Muster, Feed the Band, and Family BBQ each spring, and throughout the year, we enjoy our own meetings and activities.

We meet for lunch monthly, September – May at various venues in San Antonio to hear speakers and programs of interest to women and Aggies. Presenters include Texas A&M staff as well as local experts on varying subjects.

We provide scholarships for several Bexar County youth to attend Texas A&M. Funds are raised for those scholarships through pie sales at Aggie Park throughout the year, pecan sales in the fall, and a major fundraiser to be held in the fall.

Additional evening activities are planned throughout the year just for fun, and a monthly newsletter is sent out to keep everyone informed.

Members support the club by paying annual dues of $25.00, participating in the annual fundraiser, donating to Muster, and inviting others to join.

How to join:

Complete the form below and submit it with a check payable to San Antonio Aggie Women's Club. Annual dues are $25.00
